

## COMPLETE SOLUTION

### SAMSUNG GALAXY™ TABLET

Our fully-integrated POS system comes loaded onto a Galaxy Tablet, which comes fully charged and ready to process transactions on day one.

### ALSO INCLUDES

EPSON Thermal Printer

Bluetooth Bar Code Scanner

### LOCKING TABLET ENCLOSURE & MOUNT

Our enclosure is built to last and protects your POS with an integrated key lock. The adjustable angle makes it possible to view your POS screen in multiple positions.

### CASH DRAWER

This cash drawer is 16" x 16" with a heavy-duty metal frame, durability to last while serving your business, and a 3-position key lock to keep your cash secure. While being built to last with durable components, this drawer is white and has a clean, sleek design that is professional.

### SOFTWARE

- DubTel Point-Of-Sale
- DubTel E-Commerce (Branded Website)
- Dubtel Mobile App (Branded Mobile App)
- DubTel Inventory Management System
- Quickbooks Integration
- Quickbooks Migration

### PAX S300 TERMINAL

Payment modes include contact-less (NFC), e-Signature, magnetic stripe, and Chip (EMV) & PIN to offer your customers every choice. State of the art security design keeps your customers' information safe by encrypting all transaction information. Ethernet wiring cable hub included so you are ensured to stay connected at all times.
